Wildfires Festival 2026
Event Dates: 22 July - 26 July 2026

Wildfires Festival is a Christian camping and worship gathering that brings together churches, families, and communities for four days of worship, teaching, and community life. The event includes live music, youth programmes, children's activities, and seminars across multiple venues.

We have held the event at Wiston for a number of years and always aim to reduce our impact on the local community as much as possible. To do so we've worked with West Sussex County Council, Horsham District Council, Sussex Police and our traffic management partners to keep any disruption to a minimum.
